We re clarifying a transaction and fee description

We re clarifying a transaction and fee description that we use on account statements and online activity.

Starting July 22, 2013, if you cash a check and it s returned to us without being paid, we will identify:

- The transaction as Cashed Check Returned , and
- The related fee as Cashed Check Returned Fee (not all checking products are charged a fee for this transaction but for those that are, this fee will still be \$12).

This is not a new transaction type or fee , just a clearer description of this type of account activity. Today, we describe both deposited and cashed items that are returned to us without being paid as Deposited Item Returned. After July 22, we will use this description only for deposited checks that are returned.

All of the terms and conditions of your account remain the same. If you have questions, please call us toll-free at the number on this statement or visit any Chase branch.
