On October 14, 2008, the Federal Deposit Insurance Corporation (FDIC) announced its temporary Transaction Account Guarantee Program (TAGP), which provides unlimited coverage for eligible non-interest bearing deposit accounts through December 31, 2009. Starting April 1, 2009, a Deposit Insurance Fee will be applied to your business checking account, based on its monthly average ledger balance. The amount is based on the standard fee charged to financial institutions by the FDIC and may vary at its discretion. The fee is currently 0.231% of your monthly average ledger balance. This fee can be reduced or eliminated with your Earnings Credit. If you have questions, please contact your J.P. Morgan Representative.
