In Case of Errors or Questions About Your Electronic Transfers.

Contact your Morgan Team at one of the telephone numbers on the front of this statement or write us at 500 Stanton Christiana Road, 1/OPS, Newark, DE 19713-2107 as soon as you can, if you think your statement is wrong or if you need more information about a transfer

on the statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. (1) Tell us your name and account number. (2) Describe the error or the transfer you are unsure about, and explain as clearly as

you can why you believe it is in error or why you need more information. (3) Tell us the dollar amount of the suspected error. If you contact us orally, you must send us your complaint or question in writing within 10 business days in order to preserve your rights. We will

investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this (20 days for purchases using your debit card or for international transactions), we will credit your account for the amount you think is in error, so that you will have

the use of money during the time it takes us to complete our investigation.

In case of errors or questions about your statement, including your line of credit.

If you think that your statement is incorrect or if you need more information about a transaction on your statement including a line of credit transaction, you must write to us on a separate sheet describing the error and send it to: JPMorgan Private Bank, 500 Stanton

Christiana Road, 1/OPS3, Newark, DE 19713-2107. We must hear from you no later than 60 days after the statement on which the error or problem appeared is sent. You can contact your client services specialist but doing so will not preserve your rights.

In your letter, please provide the following information: (1) your name and account number; (2) the dollar amount of the suspected error; and (3) a description of the error and explanation, if you can, why you believe there is an error. If you need more information, you must

describe the item you are unsure about.

Important Information about Pricing and Valuations

Market value information (including without limitation, prices, exchange rates, accrued income and bond ratings) furnished herein has been obtained from sources that the Bank believes to be reliable and is furnished for the exclusive use of the client. The Bank makes no

representation, warranty or guarantee, express or implied, that any quoted value represents the actual terms at which transactions or securities could be bought or sold or new transactions could be entered into, or the actual terms on which existing transactions or securities

could be liquidated. The current price is the value of the financial asset share, unit or contract as priced at the close of the market on the last day of the statement period or the last available price.

All values provided for structured yield deposits (for example, JPMorgan London Time Deposits) reflect the original deposit amount only.

The current value for Real Estate, Mineral Interests and Miscellaneous Assets may not reflect the most current value of the asset.

Valuations of over-the-counter derivative transactions, including certain derivatives-related deposit products, have been prepared on a mid-market basis. These valuations are indicative values as of the close of business of the date of this statement and, except as otherwise

agreed in writing, these valuations do not represent the actual terms at which transactions or securities could be bought or sold or new transactions could be entered into, or the actual terms on which existing transactions or securities could be liquidated as of the date of this

statement. We do not warrant their completeness or accuracy. These valuations are derived from proprietary models based upon well-recognized financial principles and we have, when necessary to calculate the present value of future cash flows, made reasonable estimates

about relevant future market conditions. Valuations based on other models or different assumptions may yield different results. Morgan expressly disclaims any responsibility for (1) the accuracy of the models or estimates used in deriving the valuations, (2) any errors or

omissions in computing or disseminating the valuations, and (3) any uses to which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use. Please refer to the trade confirmation for details of each transaction.

At your request, assets may be reflected herein even though they are held by a third party unaffiliated with JPMorgan. In such case, unless JPMorgan otherwise agrees, JPMorgan has no responsibility for the verification, valuation, safekeeping or management of those assets.

The JPMorgan Funds or The JPMorgan Institutional Funds or The American Century Funds

Shares of the funds are not bank deposits and are not guaranteed by any bank, government entity, or the FDIC. Return and share price will fluctuate and redemption value may be more or less than original cost. While the money market funds seek to maintain a stable net

asset value of \$1.00 per share, there is no assurance that they will continue to do so. The estimated annual income and dividend yield figures for mutual funds represent the funds' most recent income dividend annualized.

The distributor of the JPMorgan Funds is JPMorgan Distribution Services, Inc., which is an affiliate of JPMorgan Chase Bank, N.A. JPMorgan Chase Bank, N.A. and its affiliates receive compensation from JPMorgan Funds for providing services. American Century

Investment Services, Inc. is the distributor of the American Century Funds. American Century Investment Management Inc. serves as investment advisor to its respective fund family and receives compensation from that fund family for providing investment advisory and other

services.

If you have chosen one of the sweep mutual funds, you are notified that positions in the Prime Money Market Sweep Fund represent holdings in the JPMorgan Prime Money Market Fund; positions in the Federal Money Market Sweep Fund represent holdings in the JPMorgan Federal Money Market Fund; and positions in the Tax Exempt Money Market Sweep Fund represent holdings in the JPMorgan Tax Exempt Money Market Fund.

JPMSI is the custodian of listed options and most mutual funds, including third party mutual funds, purchased through JPMSI.

You should have received separate JPMSI confirmations for each securities transaction. All transactions are subject to the terms and conditions stated on the reverse side of such confirmations and are subject to the constitution, by-laws, customs and interpretations of the marketplace where executed and governed by and construed in accordance with the laws of the State of New York and all applicable federal laws and regulations. Further information with respect to commissions and other charges related to the execution of transactions, including options transactions, has been included in confirmations that were previously furnished to you. Upon written request, JPMSI will promptly supply you with the latest such information.

Shareholders of certain JPM Funds are charged a redemption fee equal to 2% of the proceeds if they exchange or redeem shares of such funds within 60 days of purchase, subject to certain exceptions set forth in the prospectus of the applicable Fund. Please consult your

JPMorgan representative for a list of the JPM Funds that impose redemption fees.

JPMSI is a member of the Securities Investor Protection Corporation ("SIPC"), a not-for-profit membership corporation funded by broker-dealers registered with the Securities and Exchange Commission. Securities and cash held for a customer account at JPMSI are protected

up to the total net equity of each account. The first \$500,000 of protection, which includes up to \$100,000 of protection for cash, is provided by SIPC. As of March 2004, the balance of the protection is provided by a separate Excess SIPC Surety Bond issued by Customer

Asset Protection Company. SIPC and excess SIPC protection do not protect against losses from fluctuations in the value of the securities. Assets held in custody by JPMorgan Chase Bank, N.A. (the "Bank") are not subject to SIPC or excess SIPC protection.

J.P. Morgan Securities Inc., JPMorgan Chase Bank, N.A. or their affiliates (the "Morgan Companies") may provide administrative, custodial, sales, distribution or shareholders services to JPMorgan Funds, American Century Funds, or funds established, sponsored, advised, or

managed by third parties, and the Morgan Companies may be compensated for such services.

JPMorgan Private Bank, N.A. is the marketing name for the private banking business conducted by J.P. Morgan Chase & Co. through its subsidiaries worldwide, including JPMorgan Chase Bank, J.P. Morgan Trust Company, N.A. and J.P. Morgan Securities Inc.

IMPORTANT INFORMATION ABOUT PRIVATE INVESTMENTS: FOOTNOTES 1 - 3

Private Equity, Hedge Funds, Exchange Funds, Real Estate and Other Alternative Assets

1. Direct private equity investments and pooled private investments (e.g., interests in limited partnerships and limited liability companies) are generally illiquid securities. Values are estimates only and are not warranted for accuracy or completeness. Values do not represent the actual terms at which transactions or securities could be bought or sold or new transactions could be entered into or the actual terms on which existing transactions could be liquidated as of the date of this statement.

Direct private equity investments are generally valued at cost, unless there is an active secondary trading market in the securities, in which case, direct private equity investments are valued using market prices as of the close of the last business day for this statement period.

Pooled private equity investments are valued according to the General Partner's or Manager's stated methodology. In general, pooled private equity investments are valued at cost unless a significant investment event occurs which mandates a revaluation of the

investment. The valuation methodologies generally include an appraisal of the underlying assets at the lower of cost or a written-down amount, at a value at which third party financing has occurred, at a market price if an active secondary market develops, or at a value

calculated by an independent party. Please refer to the limited partnership agreement, limited liability company agreement or other operative documentation for each investment for the specific valuation methodology used by the General Partner or Manager for that

investment. Morgan expressly disclaims any responsibility for (1) the accuracy of the information and the methodology used by the General Partner or Manager in deriving valuations, (2) any errors or omissions in compiling or disseminating the valuations, and (3) any use to

which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use.

Hedge funds generally calculate the price (the "Net Asset Value" or "NAV"), 10-15 business days following the last business day of the month. For that reason, hedge fund NAVs shown will generally be the NAV of the month preceding this statement period. In general,

the NAV is stated net of management and incentive fees. The NAV is calculated according to the General Partner's or Manager's stated methodology. Please refer to the limited partnership agreement, limited liability company agreement or other operative documentation

for each hedge fund for the specific valuation methodology used by the General Partner or Manager for that hedge fund. Morgan expressly disclaims any responsibility for (1) the accuracy of the information and the methodology used by the General Partner or Manager in

deriving valuations, (2) any errors or omissions in compiling or disseminating the valuations, and (3) any use to which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use.

For Exchange Funds, the price (the "Net Asset Value" or "NAV") includes the value of any non-marketable securities that are valued monthly using a fair value methodology approved by the board of the Manager. The 'Net Asset Value USD' reflects the line of credit used to

finance the non-marketable securities, the non-marketable securities and the swap contracts used to mitigate the interest rate risk between the floating rate on the line of credit and the fixed rate of the non-marketable securities. The Fund can draw down on the line of

credit to pay expenses and management fees at startup or in the event that the dividend income from the underlying securities cannot pay the expenses of the Fund.

This statement does not provide tax reporting on private investments. Please continue to rely upon the General Partner or Manager of the investment vehicle for this information.

Prices, some of which are provided by pricing services or other sources which we deem reliable, are not guaranteed for accuracy or as realizable values.

2. The 'Capital Called Since Inception USD' and 'Cash/Security distributions Since Inception USD' columns are updated monthly to reflect activity (capital calls and distributions), if any.

3. Hedge funds generally allow subscriptions on a monthly or quarterly basis. Your interest in a hedge fund or hedge fund of funds is generally as of the first business day of the subscription period. Due to early funding requirements by the applicable fund, your account

may be debited for the subscription amount prior to the subscription date. Please refer to the applicable hedge fund's operative documentation for further details.

Hedge fund redemptions are generally on a monthly, quarterly or annual basis but can sometimes be subject to a multi-year lockup before a redemption is permitted. For redemptions, there is generally a notification period that can be a long interval before the actual redemption date. Redemption proceeds are generally paid 3-5 business days after the final NAV is issued, but can be subject to a holdback of a portion of the proceeds until an annual audit of the Fund has been completed. Please refer to the applicable hedge fund's operating documentation for further details.

For hedge funds, one of two methods will be used on this statement to report how incentive fees that may be owed to the General Partner or Manager are paid. The first method is called "Series of Shares and Consolidation Method" and will allocate a new series of the hedge fund at a par value (e.g. 1, 100 or 1000) for every subscription period during the year and a different NAV will be tracked for each series. At the end of the applicable incentive fee period (generally the end of the year), any series for which an incentive fee is payable (i.e., the fund has a net profit or is over the applicable "high water mark" and known as the "Consolidating Series") will be incorporated with and consolidated as part of the earliest series issued by the fund in which an investor has subscribed for which an incentive fee is payable (the "Lead Series"). Investor holding shares in a Consolidating Series will have their shares redeemed from each of the Consolidating Series and simultaneously be issued additional shares of the Lead Series (based on the NAV of the Lead Series on the conversion date). Any series for which an incentive fee is not payable (i.e. the fund has a net loss or is not over the applicable "high water mark") will remain as a separate series until the following incentive fee period ends (generally at year-end), when it will again be evaluated and consolidated as part of the Lead Series if the previously described criteria is met.

The second method is called the "Equalization Method". "Equalization" is an accounting methodology used to ensure that each investor in a hedge fund is paying his/her equitable allocation of incentive fees.

Unlike the Series of Shares method, shares held by all investors are valued at the same NAV. The "Equalization Amount" reflects an amount deducted from the subscription amount in order to "equalize" the incentive fees among investors investing to the Fund in the current year. The "Equalization Factor" used to determine the Equalization Amount may vary among investors and depends on both the date at which an investor subscribes to the fund and the fund's current level of performance. An investor who subscribes to a fund following the initial closing date will have an Equalization Amount effectively segregated from the subscription amount utilized to purchase shares. The Equalization Amount can change overtime, depending on any new investors entering the fund as the amount is again "equalized" to ensure each investor has an equitable allocation of incentive fees. Note that a change in equalization overtime can result in a negative Equalization Amount. A negative equalization amount implies a potential reduction in investor shares to pay incentive fees to the Manager.

There are two Equalization Methods commonly used today: "Redemption Method" or "Depreciation Method". Under both methods, if the fund is up in value from its inception date and from the date in which an investor has invested at the end of the applicable period (generally year-end) the Equalization Amount is used by the Fund to issue additional shares to the investor. If the investor had invested in the fund when the fund is down in value from its inception date and the fund subsequently goes up in value (at or beyond the applicable high water mark), under the Redemption Method an investor's shares will be redeemed to pay incentive fees owed to the manager. Under the Depreciation Method, an amount is deducted from the subscription amount and credited as a depreciation deposit which is then used to pay incentive fees owed to the General Partner or Manager on an ongoing basis. For additional information, refer to the hedge fund's operating documents.

Free credit balances in your account are not segregated and may be used in the operation of JPMSI's business, subject to the limitations of SEC Rule 15c3-3. Unless otherwise instructed, JPMSI or its agents and depositories will hold your securities. Upon your demand, JPMSI will pay to you the amount of your free credit balance, and will deliver to you fully-paid securities held on your behalf.

Interest will be charged on any debit balance; the method of calculating interest is described in a letter sent to all margin customers.

You should have received separate JPMSI confirmations for each securities transaction. All transactions are subject to the terms and conditions stated on the reverse side of such confirmations and are subject to the constitution, by-laws, customs and interpretation of the marketplace where executed and governed by and construed in accordance with the laws of the State of New York and all applicable federal laws and regulations. Further information with respect to commissions and other charges related to the execution of transactions, including options transactions, has been included in confirmations that were previously furnished to you. Upon written request, JPMSI will promptly supply you with the latest such information.

If a partial call is made with respect to an issue of securities included in your Margin Account we will allocate the call by a method we deem fair and equitable.

You must promptly advise JPMSI of material changes in your investment objectives or financial situation. Unless you inform JPMSI otherwise, JPMSI will consider the information currently in its files to be complete and accurate.

JPMSI is not a bank and is a separate legal entity from its bank or thrift affiliates, including JPMCB. The securities sold, offered or recommended by JPMSI:

- (1) Are not insured by the Federal Deposit Insurance Corporation, or any other governmental agency;
- (2) Are not deposits or other obligations of JPMSI's bank or thrift affiliates (unless otherwise indicated), and are not guaranteed by or the responsibility of any such affiliates (unless explicitly stated otherwise); and
- (3) Involve investment risks, including possible loss of the principal invested.

JPMSI's banking affiliates may be lenders to issuers of securities that JPMSI underwrites, in which case proceeds of offerings underwritten by JPMSI may be used for the repayment of such loans, and you should refer to the disclosure documents relating to particular

securities for discussion of any such lending relationships. The Federal Reserve requires that JPMSI obtain your consent before it can obtain certain information from its bank or thrift affiliates, including their credit evaluation of you. We will assume that your continuing to transact business with JPMSI will constitute your consent to the sharing of such information by JPMSI and its bank or thrift affiliates, to the extent permitted by law.

JPMorgan Private Bank is the marketing name for the private banking business conducted by J.P. Morgan Chase & Co. through its subsidiaries worldwide, including JPMCB and JPMSI.
