Important Information about Pricing and Valuations

Market value information (including without limitation, prices, exchange rates, accrued income and bond ratings) furnished herein has been obtained from sources that the Bank believes to be reliable and is furnished for the exclusive use of the client. The Bank makes no

representation, warranty or guarantee, express or implied, that any quoted value represents the actual terms at which transactions or securities could be bought or sold or new transactions could be entered into, or the actual terms on which existing transactions or securities could be liquidated.

The current price is the value of the financial asset share, unit or contract as priced at the close of the market on the last day of the statement period or the last available price.

All values provided for structured yield deposits (for example, JPMorgan London Time Deposits) reflect the original deposit amount only.

The current value for Real Estate, Mineral Interests and Miscellaneous Assets may not reflect the most current value of the asset.

Valuations of over-the-counter derivative transactions, including certain derivatives-related deposit products, have been prepared on a mid-market basis. These valuations are indicative values as of the close of business of the date of this statement and, except as otherwise

agreed in writing, these valuations do not represent the actual terms at which transactions or securities could be bought or sold or new transactions could be entered into, or the actual terms on which existing transactions or securities could be liquidated as of the date of this

statement. We do not warrant their completeness or accuracy. These valuations are derived from proprietary models based upon well-recognized financial principles and we have, when necessary to calculate the present value of future cash flows, made reasonable estimates

about relevant future market conditions. Valuations based on other models or different assumptions may yield different results. Morgan expressly disclaims any responsibility for (1) the accuracy of the models or estimates used in deriving the valuations, (2) any errors or

omissions in computing or disseminating the valuations, and (3) any uses to which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use. Please refer to the trade confirmation for details of each transaction.

At your request, assets may be reflected here in even though they are held by a third party unaffiliated with JPMorgan. In such case, unless JPMorgan otherwise agrees, JPMorgan has no responsibility for the verification, valuation, safekeeping or management of those assets.

Please review your statement promptly and report any discrepancies immediately to an account officer whose name appears on the contact page of this statement.

Independent Research Ratings:

JPMorgan uses the following rating system:

Over the next six to twelve months, we expect this stock will outperform the average total return of the stocks in the analyst's (or the analyst's team's) coverage universe.

Over the next six to twelve months, we expect this stock will perform in line with the average total return of the stocks in the analyst's (or the analyst's team's) coverage universe.

Over the next six to twelve months, we expect this stock will under-perform the average total return of the stocks in the analyst's (or the analyst's team's) coverage universe.

JPMSI does not endorse or otherwise adopt the IndependentResearchProviderresearchand/or ratings. Different firms use a variety of ratings terms as well as different ratings systems to describe their recommendations. JPMSI uses a

"relative" ratings system as described above. IRPs may use a different ratings system, such as an "absolute" ratings system and use such terms as "buy", "hold", or "sell". Since "relative" and "absolute" ratings systems are fundamentally different, you should read carefully

the definitions of all ratings used in the JPMSI and IRP research that is included in the research itself. For this reason and since the research contains the basis for the ratings as well as complete information concerning the analyst's views, you should read carefully the

research and not infer its contents from the rating alone.

JPMSI is a member of the Securities Investor Protection Corporation ("SIPC"), a not-for-profit membership corporation funded by broker-dealers registered with the Securities and Exchange Commission. Securities and cash held for a customer account at JPMSI are protected

up to the total net equity of each account. The first \$500,000 of protection, which includes up to \$100,000 of protection for cash, is provided by SIPC. As of March 2004, the balance of the protection is provided by a separate Excess SIPC Surety Bond issued by Customer

Asset Protection Company. SIPC and excess SIPC protection do not protect against losses from fluctuations in the value of the securities. Assets held in custody by JPMorgan Chase Bank, N.A. (the "Bank") are not subject to SIPC or excess SIPC protection.

J.P. Morgan Securities Inc., JPMorgan Chase Bank, N.A. or their affiliates (the "Morgan Companies") may provide administrative, custodial, sales, distribution or shareholders services to JPMorgan Funds, American Century Funds, or funds established, sponsored, advised, or

managed by third parties, and the Morgan Companies may be compensated for such services.

IMPORTANT INFORMATION ABOUT YOUR JPMSI MARGIN ACCOUNT

If there are any errors or omissions on this statement, or if you have any questions about it, please contact your JPMSI Account Representative or JPMSI Compliance Department at [REDACTED].

Please keep the following in mind when using this statement to track your JPMSI brokerage activity: This statement combines your general margin account with the special memorandum account required by Section 220.6 Regulation T. As required by Regulation T, a permanent record of your separate account is available upon your request.

Important Information about Pricing and Valuations.

Prices, some of which are provided by pricing services or other sources which we deem reliable, are not guaranteed for accuracy or as realizable values.

Free credit balances in your account are not segregated and may be used in the operation of JPMSI's business, subject to the limitations of SEC Rule 15c3-3. Unless otherwise instructed, JPMSI or its agents and depositories will hold your securities. Upon your demand,

JPMSI will pay to you the amount of your free credit balance, and will deliver to you fully-paid securities held on your behalf.

Interest will be charged on any debit balance; the method of calculating interest is described in a letter sent to all margin customers.

You should have received separate JPMSI confirmations for each securities transaction. All transactions are subject to the terms and conditions stated on the reverse side of such confirmations and are subject to the constitution, by-laws, customs and interpretations of the

marketplace where executed and governed by and construed in accordance with the laws of the State of New York and all applicable federal laws and regulations. Further information with respect to commissions and other charges related to the execution of transactions,

including options transactions, has been included in confirmations that were previously furnished to you. Upon written request, JPMSI will promptly supply you with the latest such information.

If a partial call is made with respect to an issue of securities included in your Margin Account we will allocate the call by a method we deem fair and equitable.

You must promptly advise JPMSI of material changes in your investment objectives or financial situation. Unless you inform JPMSI otherwise, JPMSI will consider the information currently in its files to be complete and accurate.

JPMSI is not a bank and is a separate legal entity from its bank or thrift affiliates, including JPMCB. The securities sold, offered or recommended by JPMSI:

(1) Are not insured by the Federal Deposit Insurance Corporation, or any other governmental agency;

(2) Are not deposits or other obligations of JPMSI's bank or thrift affiliates (unless otherwise indicated), and are not guaranteed by or the responsibility of any such affiliates (unless explicitly stated otherwise); and

(3) Involve investment risks, including possible loss of the principal invested.

JPMSI's banking affiliates may be lenders to issuers of securities that JPMSI underwrites, in which case proceeds of offerings underwritten by JPMSI may be used for the repayment of such loans, and you should refer to the disclosure documents relating to particular

securities for discussion of any such lending relationships. The Federal Reserve requires that JPMSI obtain your consent before it can obtain certain information from its bank or thrift affiliates, including their credit evaluation of you. We will assume that your continuing to

transact business with JPMSI will constitute your consent to the sharing of such information by JPMSI and its bank or thrift affiliates, to the extent permitted by law.
