Please be reminded that beginning next month, you will receive images of checks that

you have issued for payment. As we first notified you in your July statement, check

images provide a more convenient means of reconciling your monthly checking transactions. With check images, you will see reduced-sized images of the front and

back of each check, provided in check-order sequence. With no bulky checks to wade

through, we hope you'll find archiving your account statements to be more manageable. If you have any questions, please contact your JPMorgan Private bank

representative.

In Case of Errors or Questions About Your Electronic Funds Transfers (personal accounts only)

Telephone or write to the Bank if you think your statement or receipt is wrong, or if you need more information about an electronic transaction on a statement or receipt. The phone number for inquiries is printed on the front of this statement. The address for inquiries appears below. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

Tell us your name and account number.

Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this (20 business days for transactions outside the U.S. and point-of-sale transactions), we will recredit your account for the amount you think is in error so that you will have use of the money during the time it takes us to complete our investigation.
