Introducing a new convenience

Effective immediately, you will be able to take greater advantage of the electronic

payment transfer capability of ACH (Automated Clearing House). Payments can now be

sent through ACH to accounts at other financial institutions. Many clients already enjoy

the convenience of receiving payments through ACH.

ACH use makes the most sense for recurring payments. It is also useful in situations

where funds are not required urgently. ACH payments are transacted two business

days after initiation, unlike wire transfers, which are same-day.

Contact your Private Bank team if you have any questions about ACH payments.
