Our office is closed today however Mr. Epstein needs this wire to occur. We should be receiving an incoming wire this morning from Bear Stearns in the amount of \$1,000,000. Once that hits I will call you with Harry to confirm that this wire is OK to go out immediately.

Can you please wire Six Hundred Seventy Seven Thousand Eight Hundred Twenty Five Dollars & 00/100 (\$677,825.00) from the above referenced account to:

In addition please email me Fed reference number when wire is complete.
Thank you.
