Jeanne,  
**JPM Credit Card Services recommends the Chase Ink Plus Credit Card for Southern Trust Company, Inc.** Attached is an information sheet and an application to request a \$50 K CC limit.

The Ink Plus has a dynamic earn of 9-2-1 points based on the category spending. The annual fee is \$95/yr and waived the first year. Based on your spending you will make the \$95.00 back quickly in rewards. The major change is the redemption but with Ink Plus they will have options of Cash, Gift Cards, Merchandise, Air Travel, and Frequent Traveler program transfers. The current business credit cards are Ink Cash -- a no frills business card. We would like to upgrade all of the business credit cards to the Ink Plus Credit Card per the comments above. Please advise if you agree on this recommendation, and I will proceed to making the changes.

Best Regards,  
 Janet Young
