E IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and tax identification number for U.S. persons or passport number, country of issuance and expiration date for non-U.S. persons. We may also ask for other information that will allow us to identify you and we will ask for a copy of your driver's license or other identifying documents.
