Good morning Mr. Indyke,

I have reviewed our files for a copy of the W-9 form Mr. Epstein. At the time of the opening of his personal accounts, the W9 was not required as the tax certification was embedded in the account opening application.

We will need a W-9 form for Mr. Epstein in order to complete the tax documentation for Financial Trust Company.

Attached please find a blank W-9 form. Please have Mr. Epstein complete and sign it. We can accept a faxed copy of this form or you can accept the attachment via e-mail.

Thank you and Best Regards,
Rosalia Cracchiolo
