Rich and Darren,  
As per our conversation, attached is the list of aCCOurit names that were on the data tape from year 2DOE:i. The data tape contained social security and tax identificat on numbers, names and addresses. lt clqi not contain am/ account numbers, balances or account activity At this point there is no evidence that the data from the tape was used inappropriately, nor do we believe that this information will be accessed by anyone since special hardware and software is required to access the data. A letter will be received or the persona! accounts in which individuals are eligible fur Chase Identity Protection 'CIP' will offer free credit monitoring for one year. Please let me know if you have any further questions.
