Please overnight these docs to the attention of Harry Beller. It is super
important that we get this done as
soon as possible. Darren was incarcerated this past Monday, hence he is not a
likely candidate for anything
anymore. Your Darren makes a lot of sense, please let's just make it happen as
soon as possible. Thank
YOU

Subject: Financial Trust Co Inc - Adding PAS: Darren Indyke and
Harry Beller

After I updated Darren 'ndyke and Harry Beller on account [REDACTED] 8
[REDACTED]. I realized I had
made a mistake. I was going off of what TEC S was listing. and Jeffrey
Epstein was listed as the one and
only account signer I went back through the documents today and re-read
everything;

The Entity POA Mat was filled out is invalid but this is an Intl account. and
needs to be on the Intl POA

There is also a letter stating that Jeffrey Epstein resigned as a director
and resigned effective 9.12.2007,
which means he is not authorized to sign the POA. Following the revocation
letter is a resolution (internal
to the Entity) that lists out the new Directors: Darren Indyke, Cecile
DeJongh and Jeanne Brennan. I
am going to have to read out the Entity Resolution which will list Darren as
President, Cecile DeJongh as
V.P. and Jeanne Brennan as V.P. In the meantime, I am going to leverage this
resolution and add these 3
individuals to the account with unlimited authority
The Entity POA will also be mailed out in order to add Harry Beller as

Attorney in Fact. Please let me
know if you have any questions.

Thank you.
