Paul

Attached is a few pages of a 1099 that I receleed.

The following issues have to be smolved ASAP:

- 1) Ike account is in the name of Phancial Ttust Company (not Jeffrey). The Tax \$I endiug in 334\$ is that of Jeflisys not dna:aid Trust Company. Also, Jeffreys note is on the 1099.
- 2) a rorporadon is exempt from Forms 1009 repotting requirements Thwelbre this enoneres 1099 should be voided (net corseted).

Under separate email I will forward to you the conued 'telecast that I received. (use the Mowing palmed to open (epasin04142011)).

It doesn't appear to be a 1099, and the correction shoos looms items in thii account). Again- the erroneus 1099 seat with ms's same and tot I Amid be voided and NO 1099 shade be bend for flaoseial Trost Compaq.

3r eta Paula Sherman° that spores on the account (both on middy stalemate as sun as on the enema 1099 and the 2011Tlax monies mss) moat be removed. Paula has not bees with our organisation hr needy 20 years
