Hi

I have just recently moved to [REDACTED] and would love to be given the opportunity to work with your agency.

My name is [REDACTED] but my preferred escort name is [REDACTED]. I am located in [REDACTED] and am very flexible when it comes to my availability which includes international travel. I have many interests which are: horse riding, wake boarding, open water diving, participating in charity and fashion events and traveling.

I am also educated to a high standard gaining my psychology [REDACTED] qualification and do part time modeling back in the [REDACTED]. My nationality is [REDACTED] but I was originally born in [REDACTED] giving me a unique accent. I have one very small and discreet tattoo and have my belly button pierced. I have previously done escort work and am currently working with Emperors VIP.

If you have any other questions please do not hesitate to ask. My cell phone number is [REDACTED]

Kind Regards
[REDACTED]
