Schedule? Down and back?
10:36:44 pm

 I have a ride down on Monday. Need to get back for the negotiation of the next
hurricane supplement
10:38:27 pm

1212 5333739

when is that?
10:39:59 pm

is the airport open?

10:40:10 pm

how can i help?

10:40:22 pm

[REDACTED]

For private flights during the day

10:40:24 pm

I'm okay right now. I'll call you tomorrow with some thoughts I have

10:40:41 pm

1212 5333739

when do you need to get back?

10:41:26 pm

[REDACTED]

Tuesday evening or Wednesday morning

1212 5333739

Who arranged landing permission?

11:32:13 am

[REDACTED]

The flight I am on is military so my assumption is Coast Guard coordinated with FEMA. Are you interested in getting landing permission? I can get the details for private plane landing

11:36:35 am

1212 5333739

yes, please. I wanted to bring supplies to my island workers.

[REDACTED]
Yes. I'm on the ground. Very very poor reception.

12:34:33 am

You can get clearance from Port authority. I'll give Erika the informant

12:35:21 am

1212 5333739

its ok, i returned to new york. lets speak when you get back up north

12:36:00 am

Mario -As it is the feds not local govt helping you should be front and center

mario . news?

12:51:47 pm

[REDACTED]

Morning. Not much. Trump will visit PR on Tuesday. Discussions of Pence coming to VI on Friday. Had discussion this week with Pres Clinton people and Eric Holder about support in recovery discussions in VI and region. What Mapp is starting in press conferences is not what I'm seeing on the ground.

01:15:39 pm

1212 5333739

You can tell Eric that our mutual friend Reid Weingarten also suggested using him

01:16:57 pm

[REDACTED]

Had a heated discussion with Brock Long from FEMA. Presently we have NO hospital in VI and they're talking about sending an "OR in a box" because that what idiot Commissioner of health requested

01:17:22 pm

Okay will do

01:17:41 pm

2017/10/01

[REDACTED]

Just spoke with President Clinton. He may be calling you as an intermediary to Mapp to get him to listen particularly to make sure that we utilize this crisis so rebuilding measures leapfrog technology mitigate the next hurricane, create resilience and make the VI a model

04:05:26 pm

Oh and good afternoon. Forgot my manners

04:05:42 pm

1212 5333739

I'm happy to talk to him. , where does the money come from?

04:06:55 pm

mario
04:06:59 pm

1212 5333739

Are you attending today's trump meeting

12:11:01 pm

I may be on the phone when Mapp goes to PR to meet with Trump. I'm scheduled to be on the plane with Pence when he comes to the VI on Friday

12:17:42 pm

1212 5333739

mapps meeting on a boat?

12:19:15 pm

Yes. He flying over to a navy vessel.

12:19:37 pm

That does NOT play well at home

12:19:48 pm

1212 5333739

yes, I'm aware , weird ,

12:20:28 pm

Can you say Tom...

12:20:51 pm

1212 5333739

i wouldn't

12:20:58 pm

I would
