Ali

Your text came at 12:30, I had gone to bed. Please touch base today.
07:18:17 am

I need schedule, we have Offer from China Pharma, owner is not going to fall in same trap twice with you and wants to take Chinese deal. All you need to do is communicate. Silence will loose aircraft. Owner had a deal to break up and you said you will move in 3 weeks and 3 months later we are where we are. I am happy to help but need your help to.
