Jeffrey, how do you identify that people are real? I used to believe people a lot and now after this heartbreak don't believe anyone. I'm surrounded by some people who seems to be really good and smart but I question and play all scenarios about their potential behavior all the time.
08:27:08 am

It also feels like moral/ethics scam in most of cases. People are just surviving the way they can and care about themselves. Not like it's good or bad. Just a reality
