Thank you for your message. Thanks for believing in me. Yes I really wanna deal with the future now and be a big girl. Modeling should be a side thing to do sometimes for fun. I'm sorry I haven't found you anyone yet. It's been hard. I dunno how to find someone. I need advice on how to do it. Should I talk to [Redacted] maybe?

06:01:50 pm

06:01:56 pm

I really wanna get my ass in gear and feel successful. Would you like me to work more for you and even travel with you etc? I would like to. I wanna show you how hard I can work

06:08:48 pm

U called by mistake?

07:48:00 pm

Yes, I am concerned however that you need to have a plan. I will help, but you need to get serious.

08:49:30 pm

I agree fully. After our call I reached out to a man I met in New York. Him and another guy are the founders of "Wunderbrow" huge make up brand, most sold make up item on Amazon. They have office in London and Miami but soon maybe New York.

When I met him he asked what I am studying and bunch of things and I told him I am studying marketing and I like online/digital marketing, how brands should behave successfully on social media, how to create content on social media etc especially for cosmetics or fashion. And after our conversation he told me to contact him when I was done with studying. He seemed interested and serious. So I contacted him now and he said he is gonna get back to me soon.

Could maybe lead to something interesting and a way for me to get hired. Also thinking about other opportunities and searching. And also trying to find nice/interesting girls in Milan

09:00:52 pm

But right now in this moment I really just wish I was with you. You always make me feel great. You are an amazing person Jeff, I hope u know that. Very lucky I am to have someone like you in my life

Yes feeling a little better. But still stressed about finding girls. It's hard. Can we please talk about it soon

10:02:04 pm

How are u

10:02:12 pm

Very busy

10:03:46 pm

Just become friends with them, gym. castings. Shoots restaurants etc. if you have to fly back to the states for a job interview. No problem. Ill pay. If you don't get any work in sept however. We will have to make some very big decisions

10:05:10 pm

Okay. Yes will try. Problem in Milan is that there are very little nice girls. From what I've seen so far. Very young and nothing special. But will look for them as much as I can.

Thank you thank you very much for all. Let me Know if you find some spare time tomorrow or Monday to FaceTime. Would like to see u and talk on the phone for a little. But if you busy of course no problem ❤️
