Merci chéri de Paris .
Anything I forgot ?

Old thinking is for babushka, new thinking is

- 1) freeze eggs, get kids any time. All his friends froze eggs.
- 2) have several boyfriends but don't get disease, only blowjobs.
- 3) find a strong man to control , manhandle, be stronger than me. For now, all my bfs were weaker. I'm smarter than them and need bf who can win me in argument.
- 4) break up maybe by Christmas
- 5) let men help you and don't be shy getting things, money from them. Future thinking.
- 6) don't invest next 2 years. Markets are uncertain. Keep money. Maybe invest a little. Trade currencies, stocks; don't manage people (hard) when you can make money by managing money.
- 7) to invest in property is old thinking
- 8) men's makeup is the future big trend
- 9) marriage is for money. No need to get married otherwise.
- 10) in past men marry secretaries, pretty women with no assets other than body, beauty. Future- successful women that combine beauty and brain.
 - the more feminine you are the less brainy. To understand men you need to think as a man - look manly and think like a man.
 - the more symétrie you have on your face the more symmetrical is your brain 🧠symmetrical brains are not necessarily smart. When more neurons are being wired the brain and cnsqly face gets changed. No symetrie left-less pretty. Why do we like how kids look ? Pretty, symmetrical faces.
Smarter the person the more asymmetrical is face and brain.
- 11) it is ok to break rules to survive. You don't know if it comes badly back to you or not. It is a lottery. Like throughing a coin.
- 12) break up when you get your acne fixed (rocutane) and took care of hair, looks.
- 13) if you are not looking perfect it means you can't take care of yourself , clients think that you won't be able to take care of them.

Green Booster by David Mikhaylovich Yakobashvili and his son. Have you met them? I saw son, Misha, in Monaco 🇷🇺 they sold the technology to few governments and look for more African and South American counties to buy it.
