[REDACTED]

Jeffrey I took Roaccutane for a week, french nurses and US doctors told me it has too many side effects and will damage my liver. My US facial lady has brown spots for life because of 12 months of Roaccutane , her hair fell over and got dry.
That's why I asked you contacts of French girls who took it to ask their feeling about it and how much they took

How are you jeffrey ?

09:13:18 am

I had [REDACTED] whom you met stop talking to me since 6 months. He said, after I finally got him on the phone asking 20 times what is wrong between us, the reason being that I advertised PA positions for you and it was « willingly and knowingly, indirectly, putting girls in danger ».

It made me think that I was very stupid and you didn't tell me about my stupidity here.

Also I have the most horrible reputation in Zurich, UBS and other Swiss circles, because I asked some people for connections to PAs. When [REDACTED] returned from ZH last summer , she was shocked how badly people speak of me given my side gig ^ recruiting for a NY businessman.

Anyway...it was a price to pay for Berkeley I guess. And I don't judge or complain. Hire me as a lawyer/paralegal at some point - way better than supplying you ladies.

Are u in NY 25-30 July ? I'm coming for Nexus conference at the UN&want to see you. We invested in Medici bank. Small amount.

Currently in Europe, Lufthansa flight attendants wanted to downgrade me to economy from business because I was wearing training pants....they have a dress code. Weird. How do u pass this dress code dressed up casual in business/1 class ?

Jeffrey are you fine ?

EFTA01612738

Just read news, someone shared. Are you home ? You were not taken anywhere ? What they mean by arrest ?

12:19:18 pm

Interesting... i didnt know abt NJ arrest (did it happen at all?) and just thought of you and how you were doing.

Jeffrey, do ayhuasca and it will strengthen you intuition even more. I just came from a 5 days Aya retreat where [REDACTED] sent me... it's better than Sex, success or anything else I experienced before. Comparable to Olympics
