I contacted a colleague. He told me that she needs first to apply online and request an appointment. They will try to assist once the formal process is started
08:33:57 am

What's her full name? Does she have a record number?
04:04:16 pm

Thanks. First feedback from head of visa office is that she should monitor online as people cancel appointments and it opens new dates. If in a week, she can't get something better for her date of travel, he will try to squeeze her in. I keep you posted.
Thanks
