Thank you for caring

04:33:14 am

I got a pretty big award (nominated by the folks at Hopkins) and have to make a speech in Philadelphia on Monday and I'm so nervous

04:33:48 am

Working like crazy on my speech and bill is gonna help me tomorrow night

04:34:06 am

They want me to give a "personal" account of what you can do with medical training -
blah feels
Scary and gross to give the talk

At first I called it "don't do what I did"

04:35:06 am

But i was reading this terrific feynman book called "perfectly reasonable deviations
from the beaten path" so I'm calling it that

04:35:44 am

Helps to think about this instead of Larry and Melinda

Let's talk tmr I have to respond to the gates fndn legal team on my separation package
that Melinda is personally managing because "I am so valuable and a role model for
other women" that they want to be super "generous" and "respectful"

Talk tmr can't think about it anymore

04:37:16 am

MW

Desperation from what? Is she firing you from foundation and bill giving you a six
month pre retirement at bc3

04:42:28 am

[REDACTED]

04:42:31 am

How long were you there

04:43:16 am
