Understood and will try

Remember that he doesn't control his money.

Think about Boris / same deal.

It's a different story when you have some results To share but then when there are results my guess is that it will be easy to find supporters

11:51:09 am

Will try to use the Alzheimer angle and boyden is a hertz fellow bg likes those

11:51:51 am

[Redacted]

i have no problem finding the money, it is for your cred . . world bank does not got anyone in science excited.

11:52:04 am

[Redacted]

He hired the former head of astra Zeneca who managed all the failed drug trials so that guy (mike Poole) is pro pharma and shuts down much of the creative stuff presented to bg

11:52:33 am

World bank was lost years for sure

11:52:47 am

But I was a foundation employee

11:53:22 am

I have near zero cred bc I spent time in development which is dumb bc you think there are solutions and there aren't

11:53:47 am

MW

I know.

11:53:54 am

won't be a problem but easier to overcome with bills help

11:55:39 am

Ok amazing
2007
Down syndrome
Almost always get Alzheimer

if they live long enough

11:56:14 am

hey , i have my google to contend with , you have africa

11:57:03 am

oo

[REDACTED]
We are like twins.

11:57:19 am

Except you are better looking and I am funnier.

<http://blogs.sciencemag.org/pipeline/archives/2016/09/23/just-how-worthless-are-the-standard-alzheimers-models>

12:01:39 pm

There is no actual model for anyone to test yet. That's why the model we have figured out could go a very long way - even if just for creating testable conditions

But I think we also know how
To fix

And this is why our work would be very very interesting to the VA

12:07:41 pm

cool

12:09:05 pm

remind me how much money is bc3 paying you

12:09:44 pm

oo

[REDACTED]

I think 150k for 6 months

12:12:28 pm

MW

Larry hired a new HR lady yesterday.

12:13:17 pm

[REDACTED]

is that higher or lower than bank

12:15:59 pm

[REDACTED]

Same

12:17:01 pm

MW

Should I ask for different or ask for what the others (all men) in the office get? Worried if I rattle any cages I get into trouble.

12:18:07 pm

[REDACTED]

not yet, is the contract signed. when do you start?

12:18:52 pm

[REDACTED]

starting this coming week
Contract to be signed then

12:24:38 pm

I feel like no more talking just sign

12:24:39 pm

The. Figure out what else

12:24:42 pm

Last day fndn is Monday (5pm)

12:34:01 pm

So hard. Feel like c3 is harder than bank

I asked larry if they could pay my compensation directly to MIT. Or if I could do 3 months at c3 and 3 months at MIT. Let's see.

12:35:11 pm

MW

Like if I worked for half the rate and then had the other half donated to Ed boyden.

12:36:56 pm

i have some ideas later or tomorrow
