[Redacted]
today afternoon good

03:42:34 pm

[Redacted]
Yay

04:42:20 pm

[Redacted]
I'm at c3 till 3pm is that too late? Maybe 245pm (seattle time)

06:24:54 pm

MW

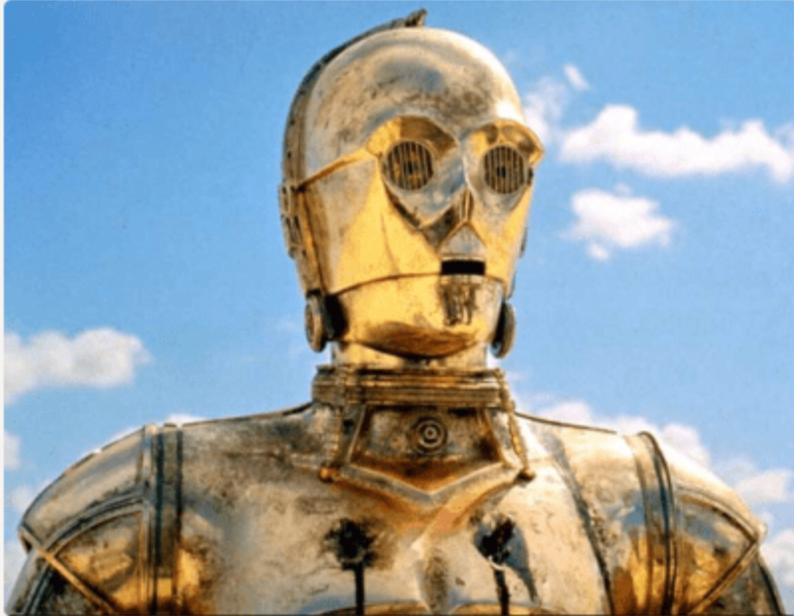

[Redacted]
try

06:26:08 pm

[Redacted]
Here's a good picture of me, the bgc3PO - best droid in the galaxy

06:26:12 pm

06:26:21 pm

06:26:26 pm

I've got a long McKinsey session today and also tmr morning

Ridiculous

06:26:49 pm

Why does he let them hire McKinsey?

06:26:58 pm

"Slide decks"

06:27:03 pm

Free! Tried calling will try again in a bit

09:00:13 pm

So very concrete question

10:18:05 pm

Should I do a very good job on the Alzheimer recommendations and be super actionable and give them every single idea in detail - as if I was building the portfolio to run for myself? (even though they are hiring someone else)

10:19:25 pm

Or should I give larry top level stuff and just walk away

I feel like bill always steals my ideas

10:20:03 pm

I guess I will never feel bad about offering great ideas and great work.

10:20:34 pm

But I'm doing mckinseys job

10:20:43 pm

Are you in NYC next Tuesday-Thursday

10:48:37 pm

MW

18

10:53:37 pm

oC

Ugh I leave to Israel that say

10:53:51 pm

Day

10:53:53 pm

What time
I want to say hi

10:54:02 pm

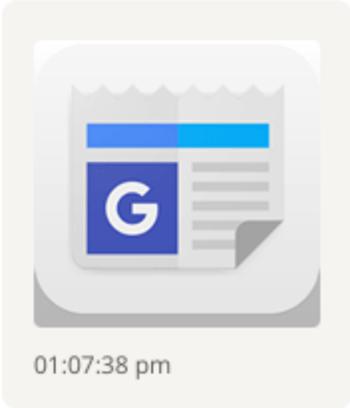

Wait will you be on your island?!?!?!?! I have Tuesday to Thursday free

11:11:28 pm

01:07:38 pm

This is neat

01:07:38 pm

Saw this too : st Thomas maybe you are around

Mayo Clinic Convergence Neuroscience 2017

Oct. 24-25, 2017, in St. Thomas, U.S. Virgin Islands

This conference brings groups within the biomedical, life sciences, physical science and engineering fields together to solve unmet health needs through the discovery of education gaps inherent to each discipline and creative collaboration for problem-solving.
