MW

I assume my name is not a necessary part of your story, is it? If it is, I understand you need to use it. If not, I would be glad to help you, as I mentor young troubled women and they would be destroyed by negative allegations, that were reviewed and dismissed. (if that is the truth)

05:07:36 pm

oo

Those were your two up front issues to get across (you said that was A)

Then you said B ask about my name in relation to story and if he would Leave off

Then you said C make the case for leaving off

So if he emails should i respond with the statement above:

I assume my name is not a necessary part of your story, is it? If it is, I understand you need to use it. If not, I would be glad to help you, as I mentor young troubled women and they would be destroyed by negative allegations, that were reviewed and dismissed. (if that is the truth)

MW

05:10:58 pm

1. Lets agree this is totally off the record !

05:11:09 pm

Ok

05:11:15 pm

2 I can't imagine that my name in the story makes or breaks it?

05:11:28 pm

If we can agree that my name will not surface I am happy to help. If it will you should know that I mentor..... And they will be devastated. Is it really necessary, if he says. Yes, , then say I m sorry. I can't help. Wish you luck etc.

05:12:22 pm

Got it

So should i say that in email when he sends a note

05:12:56 pm
