Steve asked about the following will cut and paste / dunno

I still think I would add to the third one to Jeffrey's suggestions — "and just want to say that victim shaming seems entirely out of place in your story and shows a lack of integrity and professionalism".

05:58:05 pm

[Redacted]

Can you ask Steve to call me.

06:07:09 pm

[Redacted]

Do not get aggressive with the reporter , serves little purpose

06:14:23 pm

[Redacted]

Ok makes sense

06:17:25 pm

Not sure he will but i can try

06:17:30 pm

[Redacted]

Why did he say victim shaming. ? is there more info

06:18:00 pm

?

06:18:01 pm

oo

He says I was accused of something i didn't do and therefore am a victim

06:18:22 pm

And that the bank allowed me to be harassed by these allegations

06:18:46 pm

There is nothing more to know

06:18:56 pm

MW

I don't even know what you were accused of?

06:19:11 pm

oo

I don't either

06:19:16 pm

My travel and emails were all investigated

06:19:33 pm

I've heard everything from Jim misuse of public funding to support me to a romantic relationship

06:20:03 pm

MW

Whoopsie

06:20:29 pm

oo

[REDACTED]

Or both as they relate to each other

06:20:49 pm

Gates paid me and my expenses unless they were of direct benefit to bank and then bank paid expenses. Jim never saw or approved any expenses only the chief of staff. I never even did travel or accessed the portal or had an account to claim expenses. All fine through chief of staff

06:21:58 pm

Done through chief of staff

06:22:03 pm

Steve says whatever you say is best and that's fine if too aggressive

06:22:30 pm

I never had access to any system or portal or reporting and had to submit everything I did through chief of staff. Not Jim.

06:23:20 pm

There is a very very small window for a win. Which means no name or identifiers, if not we try to minimize the damage. Any aggressiveness and he can make it salacious. No need, no upside and you are not in the pulpit

06:24:01 pm

OC

[REDACTED]

He did not pay me a salary or give me a raise or promotion or any benefit

06:24:05 pm

Yes got it

06:24:16 pm

Steve says you know best

06:24:26 pm

MW

Forget about what he didn't do. What were the allegations. ?!

06:24:27 pm

I don't know? Nothing was ever filed against me

06:24:46 pm

I think i was part of an investigation against him

06:25:06 pm

What I know is that when he fired the iNdia office director a guy named Onno Ruehl that I've never met - that guy got very angry and started threatening everyone in the office

06:25:51 pm

And he sent a complaint to the board that he suspected him and I were having a romantic relationship and said all my travel should be examined and requested they do that's he wanted justification for my trips and to know my hotels and room numbers and for any trips w Jim his room numbers too or at least that's what I was told

06:26:54 pm

The board did and the ethics committee did an investigation and they found nothing. The two trips I had taken w Jim in a few years I shared rooms with other people and didn't have much contact w Jim. Don't think we were on same flights and the teams were 20+ ppl travel entourage.

06:28:32 pm

MW

melz. . we need answers of course you know. We can't prepare a counter unless we know the story. If he asks , which he will , did you have a romantic relationship with kin. What are you going to answer? If he says there were allegations that you had a romantic relation , ? What is your answer. A categorical denial? Did you travel together. ? let me make it clear. There was no romantic relationship. None zero. ...

No romantic relationship.

06:29:39 pm

Ok how to say that to him with total clarity there isn't and wasn't

06:30:04 pm

I've known him 17 years so I am close to his family/kids etc. so there's a different familiarity. Its not romantic but I know Jim and his life very well.

06:32:00 pm

We worked together at the WHO

And a lot of back and forth at the Gates foundation and through his work e partners in health.

06:32:33 pm

It's not romantic at all. Steve is just as good of friends w him as I am.

Although right now I'd say steve and I are both disappointed in him

06:33:39 pm

Tell me what words
I can and should use

06:34:04 pm

Was trying to think of a time where jim and i were ever even alone at work or in an office and I cant think of one - always staff around. My 1:1 always had chief of staff and usually the speechwriter or one of his PAs.

06:38:56 pm

Never had adjoining rooms w him. Never went to a hotel room with him. Never spent the night at his house. He never spent the night at my house. Just never even a hint if anything unusual or out of work bounds.

06:40:41 pm

His admin and his chief of staff (.he had a few chiefs of staff while i was there) were always around him and me.

06:41:23 pm

Anyway waiting for anesthesia to start this case
