Got two emails from them

08:21:02 am

Do you have ear buds for your phone? He can tell you on a speaker phone , if you like ill listen in and with your smart phone on mute- make suggestion s into your ear

08:32:39 am

o

That would be great but I have to use my phone to record so I dont think i can also do FaceTime

08:34:10 am

Hi else can we do this

08:34:15 am

He offered to record the conversation so I could ask him for a copy

08:34:49 am

Or if you are on with me I dont need to record

08:35:38 am

Sorry I mean I cant do audio recording and also a live phone call
On the same phone

08:39:08 am

What do i say to him before u go to sleep

08:47:44 am

Set a time to talk

10:05:19 am

He replied asking if 10am works

Should I reply and add your note about being real deal? He hasn't mentioned anything about romantic yet -

02:11:16 pm

Send mine

02:13:37 pm

And agree to call

02:13:48 pm

Ok will do now

Will say yes 10 / add your note and attach clot picture hang on

02:15:48 pm

Done and forwarded to you

02:24:09 pm

What about this phone scenario?

When I call him at 10:

Will Confirm off the record and will ask him to record the call

Will have him on speaker phone from the landline and will have you on speaker phone from my iPhone

And you can text me comments?

02:28:02 pm

Ok

05:48:22 pm

?

05:56:34 pm

Wait ed

06:14:43 pm
