Jeffrey I don't know how to do

03:06:42 pm

I've just paid the 200 euros for the internship but there is also the health insurance and the social security which are super expensive and if I don't pay they cannot deliver the paper to approve the internship

03:08:08 pm

03:09:29 pm

So the total would be 733euros

03:12:14 pm

pay it

03:13:07 pm

It's really expensive for me... I also have to pay my flight back to Milan , then the rent of this month, Christmas/New Years, move all my stuff out... I will finish all my money

03:17:19 pm

By the end of this week I will spend more than 2000 euros just for this paper, rent and flight

03:20:09 pm

so you will have 6k left

03:21:02 pm

[REDACTED]

Right now I have 7.585 euros

03:27:00 pm

03:33:15 pm

But I guess you will tell me not to go and spend New Years alone

03:33:50 pm

Ps: having dinner with Monica Bellucci at her house tonight

They told me they received a demand today and they are waiting for the confirmation. It might not be available anymore because someone would like to rent it for a year... it was the perfect place :(

05:15:54 pm

If the person doesn't confirm tomorrow they will let me know and I can go see it
