It's okay, don't worry. I mean all April till 29, but after I'm free. Now I have some problem with the agency, i hope we will decide it. Because other way I will not go to Italy.

About come to Paris, I want to come .but if be honest the reason that made me bad and uncomfortable feelings that you tried to touch me, I understand that maybe it's normal for you. Because I see you as a very smart, decent and intelligent man. And I really happy to have a chance to work and talk with you. But I don't like when someone touches me. It makes me terrible feelings. And it's not normal for me and never will be. Only this thing make me feelings that I don't have to go to Paris.
