I thought you were in school full time! No new friends?

J

I was in Tel Aviv during the weekend and I missed one day only .
Yes I met new friends . Checking now if they ll be good for you .

09:21:56 am

I took one week off during my trip to Cannes . So I will not loose my paid week

09:22:53 am

Cannes is full of girls now

09:23:09 am

Jeffrey I found hospital where [REDACTED] can do the scan . It cost About 2400£ . I'm not sure that it worth to do it here , the medicine is so bad , all my friends who live here usually fly to Russia if they have serious problems. And in Russia at least she will understand language and doctor can explain her everything. Maybe she can fly to Moscow for a week for diagnosing the problem .

If you want I can make an appointment for her here .

Let me know what you think

So what should we do ?
Medicine in Russia is good . I remember when I worked in Hilton in Novosibirsk a lot of people from Europe came for surgeries . I was surprised. I'm in UK one year already and I can tell that if u need medical help it's better to go to Russia . I don't know how people stay alive here .
