time to revisit mozart. much more difficult to play perfectly as it is minimal . and as he himself said , it should be easy, just play the right note at the right time.

12:42:02 pm

Probably back to basic. You still have the testosterone levels of a teenager

12:42:24 pm

And if you compare woman tiempo books, then I understand you

12:42:40 pm

I just could never compare a man to a book because a man's mind I can never fully know

12:43:19 pm

I don't want you to be black and blue in the frontal lobe. but ask yourself . what is it about that behavior that REALLY disturbs you, be honest with yourself. . re the book, it is a product of an author. . and if he is good he is invisible to you

12:43:57 pm

Something new always happens in his mind that I want to know.

12:44:12 pm

you chase knowledge instead of women. I get it
12:44:38 pm

Probably I am more conventional than I want to admit. So "convention" says we are not suppose to chase like thar.

12:45:03 pm

That

12:45:06 pm

Don't forget o was raised very catholic.

12:45:19 pm

your tattoos including the 5 , (I assume a death). says somewhere you are fighting convention , you wrote it for all to see. .

12:45:56 pm

But there is also a part of me that knows I would be extremely bored doing so, so therefore I don't understand it.

12:46:14 pm

it screams I am not conventional !!

12:46:29 pm

so the story now has cognitive dissonance sorry

12:46:43 pm

I am conventional, trust me. In my inner self

12:46:58 pm

I wish I wasn't is a different thing.

12:47:09 pm

so the question when you say I wish I . who is referring to who

12:47:29 pm

I needed to protect myself. That's were the tattoos come from.

12:47:37 pm

in an unconventional way

12:47:56 pm

But regarding manners, life style... way too conventional

12:48:18 pm

I will have to learn not to be so.

12:48:30 pm

well that is natural after a long held dream , turns out to be the nightmare type

12:48:49 pm

when I was in jail , i used to say I don't have nightmares I have daymares
