I will try to get ahold of him. Don't have direct number so it seems to take him a day or two to get back. So if I CAN reach him it would be MUCH later today. I'm good till 3pm tomw, then radio interviews

12:55:31 pm

Headed to Brooklyn later this morning for pizza. I'm on a mission. Let me know if you stick around.

Your next "easy" local venture out to lunch should be Johns Pizza 64th - 1st/York. Not as good as the one in the village but GOOD. I'll even buy!!! 🍕 😊
