07:41:51 pm

[Redacted]

Do you have full results
08:24:35 pm

Cdc said big increase in drug resistant strain . Try cipro??
08:31:32 pm

Bruce Moscovitz

BM

That is correct but still rare they should be able to tell you in 24 hours

08:55:22 pm

Ok

08:55:40 pm

They said cpr is a Dna test not cultured . So no sensitivity possible
