Hi. I know it is late in Paris. For a bunch of reasons I think we need to pursue legal avenues against some, in particular the person who submitted the false claim in Australia which andu demonstrates had falsehoods in it. To dissuade that person and others and because in Australia we think this is a clear win.

Can you help? Buzzfeed is of course reaching out to others if possible. Besides doing what is right to stop false accusations it is important to give them pause.

Will call later this am. Doing an interview in a bit.

04:14:53 pm

L

Ok, but this is serious, she said the person that WAS the victim it is a message to you. . not alleged. We now have to argue jurisdiction. Tough

04:16:22 pm

Lawrence

She didn't use word victim and yes she somehow contacted someone who said they were person. No evidence they are at this point and moreover word anonymous is important as Carla earlier said they couldn't use anonymous sources. Anyway will find out when I meet her.

04:27:17 pm

No no no she spoke to person That Was !!!  
WAKE THE FUCK UP

04:33:51 pm

Lawrence

Yes. I know.

04:40:06 pm

Will call after the interview.

04:41:04 pm

Have contacted Justin. Have told him that will know more after first discussion. If it looks like a jurisdiction issue or more serious then that may be the time to bring him in. Anyway will call after interview.

04:58:54 pm

It is a jurisdiction issue. Not sure he is the right person .

05:36:37 pm

Lawrence

Yes, i agree. I have to pack as I am flying to see lilli in Nashville today. Can we talk on the weekend?

06:48:27 am

Would have been simple to say that Nancy is ill , and could you reschedule. /

06:48:56 am

Instead of saying its not no but not yet. Would have been better to say of course yes. As soon as my wife feels better.

06:50:00 am

Lawrence

Hi. About to go to bed. Maybe. But they probably wouldn't let Nancy be there and him listen. Will be interesting to see what they come back with tomorrow. Am relieved that i dont have to be the prick now. Driving down in the Am to see Noam.

L

07:03:41 am

Give them a hug for me

07:30:42 am
