Good morning! Jeffrey, I need your help. I have a toothache and I know dentists only in Moscow. It's not sharp pain yet. And I'm worried that tomorrow or after tomorrow it will become worse. Tell me where I can go, please

You can always walk into a five star hotel and ask the concierge for any advice. According to how bad you could fly to NY today and go to my dentist there tomorrow. But I will get you a London name shortly

07:07:35 am

J

Very thankful! If I can go to your dentist tomorrow hopefully, would be better

Jeffrey, hi! I haven't done treatment because it has a lot of work to do. He could start and in that case I would have to visit him 3-4 times next week to complete. But I know you scheduled the Island and Miami. He gave me a prescription to take antibiotics, Tylenol and Advil 4-6 times per day to relieve pain. When are you in NY tomorrow?

jeevacation

What did he say was wrong

03:07:50 am

Your teeth come first but I don't like him very much, Lesley sent you there as an emergency patient. No worry.

03:15:49 am

ask Lesley to find you a dentist for Saturday.

03:16:02 am

Your health always first but I need to know what he proposes and why.

03:19:16 am

J

I see. He said 3-4 times because of 2 teeth and it's a work with roots. Anyway, that would be good if today I also can have an appointment because medicine just temporary. Thank you for taking care. See you soon
