Happy New year my friend! Looking much forward to seeing you when back!!! But when was it you are back in NY? When are you going to Paris? I'm planning to land in NY on the sixth, and have freed up everything until 17th in the morning, when I have to be in London.

Hope you had a nice New Year's Eve, which I'm sure you had! How is Sultan doing?

Went straight from Paris to Orkney Islands where we are the house guest of the Queen's Lord-Leutenant. Mona is presiding ceremonies for the transition from old to new consul. This has been Norwegian land for 800 years before it became part of Scotland. It is very interesting.! Difficult to talk. Back in London on Tuesday. Will call then. Hope all is well!
