Dear Purev, sorry I couldn't take your call, however I have checked on Larry. Because of an extremely tight schedule, he will not be able to go to Mongolia on such short notice. However the suggestion is that you send some of your experts related to the topics you want to discuss with him to NYC or Washington. Please contact his office directly for the timing of such a meeting. Warmest, Terje

Dear Purev, Larry informed me now that at the backdrop of the severity of your country's financial challenges the task of helping out is so demanding that he will downgrade priority of other commitments he has with clients, but will consequently have to take a fee of 400.000\$ for the job. If you agree he will cancel other commitments and come to Mongolia. If this is of interest pls contact him directly. I am with family on my way to Cayman Islands for vacation.

Best

Terje
