Dear Terje, I just want to inform you that things here got an unexpected twist. Our parliament will vote on the Migration compact next week. I insist on going to Marrakech and make a statement defining our red lights. They want to prevent me from going and for Slovakia to withdraw completely. I said publicly if this will be decided I will consider resignation. And right now I think that my resignation is quite likely. Especially if my party supports this parliamentary initiative, because that would be a kind of no-confidence vote for me.

I think that's the only thing I can do if I want to preserve my professional and personal integrity.

Best, Miro

Dear Miro, am convinced you are doing the right thing. And whatever happens, I will support you, and I know our friend J will do the same with all his tools. I have taken the liberty of forwarding your SMS to him. And here is the message to you from J and me: If you leave your job, I will immediately offer you to be non-resident fellow at IPI (which means you can stay in Bratislava if you want, if you want to be in nyc you can of course be a resident fellow). Remuneration for your job will be taken care of. I'm currently in Riyadh. If there is anything I can do, do not hesitate to call. Good luck! Warmest, Terje

12:04:33 pm

Thank you, dear Terje. I really appreciate and am grateful to both of you. Will keep you posted.

Best, Miro
