so how much money do you want ?

11:15:53 am

J

One week costs 1650eur, I was thinking that it would be really amazing to go there for 3 weeks, but even one or two weeks would be enough, if it's not too much (because of the price). 😊♥ Thank you so so much again! 😊 I am suuper happy!

G

Hey Jeffrey! I apologise for such a late reply, I was on a trip and didn't have good internet connection, it came up very unexpectedly, I had to work and leave asap. Because of that I couldn't make it to Barcelona.. but I am arranging other dates this month. Now I am back to Monaco, and will be back to work. 😊

She doesn't look that cute in real life, and she is very shy also, even on a trip she was a bit scared. If you would still like to have a skype call with her I could arrange it, but personally, I don't think that she could be really suitable. 😊 I have two new great friends to send you 😊

Hey! Ah I've been going around a lot as it's cannes film festival, just returned to Monaco 😊 I really wanted to go, but they are offering only one week stay, as for the next months everything is fully booked 2-3 weeks. I have a great deal with my gym in Monaco, they hire a personal trainer for 2 months, and it will cost me 2000eur, almost the same as 1 week stay in Barcelona 😊

05:47:12 pm

I was wondering that it might be much better option! 😊
