03:23:24 pm

bd present

03:24:16 pm

Eva

That'll be a good distraction then 😊

03:24:37 pm

What is the idea??

03:24:42 pm

you are receiving 30k in amex gift cards. or I think it much better that you have your own credit card and start building a good credit history . so you can have money wired into your own account. and no one gets to review what you do with it. I prefer you have total privacy

03:26:20 pm

Eva

I love both ideas .. I feel like it is difficult to set up my own credit card until I make my own money right ??

04:11:55 pm

no, its a very good idea to start now. the fact that you are in medical school will help.

04:27:50 pm

Eva

Okay I like it! I do have my own account...but I think it is debit not credit

04:28:41 pm

Which is different right?

04:28:44 pm

yes, you should apply for a visa CREDIT card .
04:31:19 pm

Eva

Okay sounds good. I will do that this week 👍👍 and will let you know
04:31:33 pm

its possible that they will need a balance so we will deposit money etc
04:32:00 pm

Eva

Okay will let you know!!!
04:32:15 pm
