Hi, I am diligently preparing for the exams now. And I am worried that i may need a passport at the university. Anyway no worries about [REDACTED] and your money. I'll make it in time. My last exam will be at the end of June or beginning of July. I can not go anywhere until that time.

Hi,
The dates of exams will be approved probably next week, we even don't know who will be the examiners. The period of exams will be from the second week of June to the first week of July.
I'll let you know when I'll have more information.

did you get your schedule of exams. did you apply for visa?
10:15:47 am

Hi! Yes, I already have the schedule, I will be ready to go at July 15.
I'll try to pass the last exam earlier. So maybe dates will change. Unfortunately I can not promise this now.
As about visa, they need my passport at the exams to identify that's why I can't apply now, in Belarus we need a week or 10 days for making Schengen, it's impossible to make it faster.
I'm sorry for a long waiting, I try to do all my best.
