SB Cohen a moron--- no telling what he did or told people he could do  
12:09:45 pm

It is said they already have his emails. i have no independent knowledge but it said he took out a home equity line for the 130k. If so . 1. Shows he is broke. 2. Im certain he didnt put down the purpose of the loan on the bank form 😊 3. If he argues Donald didn't know. , no attny client privilege. 4. I m certain that emails to David Pecker not helpful. And the last 1.3 mil to help with an abortion for the guy that sued the Qataris , is quite a story of big balls

Empty balls

SB Cohen has always been the key that picks the trump org lock-- and thus trump --- that's why I fought for kasowitz to not be fired  
12:23:16 pm

More importantly - you need to spend thoughtful time to protect YOU. . not from facts but from useful fiction. I am definitely on your bus

12:27:43 pm

Steve Bannon

Well known fact I wouldn't let Cohen on 14 th floor ( campaign hq) because he was trump org -- and a dangerous moron
