Is there any way you can mediate the difference with Jared. He is soooo. outclassed by you , its like child abuse ..

11:19:04 am

Steve Bannon

Jared?.. why would I want to do that?

11:19:34 am

what is the downside. ? instead of why? , - why not? . BTW. My new favorite, even better than on or off dick , was. You're supposed to me a smart guy but you sound like a fucking moron. !! oy

11:23:35 am

Steve Bannon

To do that shows that djt is center of gravity of this movement and not me-- will never do-- they are transitory figures -- the dc game is to succumb to that -- it's why I never did before joining campaign -- I could have been the trump whisperer years ago-- avoided on purpose

11:25:52 am

Jared is the idiot son in law-- always dismissed as that

11:26:34 am

Agree on all. I have no views on the third act.. I only would like to see him less afraid of you.

11:28:51 am

Steve Bannon

I want him MORE afraid of me

In an interview on Sunday, the chancellor defended her decision to seek a European solution. "We are living in times when there is a lot at stake," Ms. Merkel said, adding a warning that Europe "is perhaps more in danger than we think."

"The question of migration can break Europe apart," she said.
