11:09:15 am

Have u seen the FT this morning

11:09:34 am

SB

Yes. Ganesh writes well, don jr , perjury. Congress . Matt calamari soon up to bat. . trump still carrying on re you and Roy Moore. .

11:13:37 am

I thought that Ganesh got the last paragraph really right. And that contrasts with dharma ending . The current ending implies the end of relevance. After destruction , almost walking toward the sunset. As opposed to standing there as the sun RISES

11:16:29 am

I think you want to project WINNING. As contrasted with always destroying. . there was little winning in the film. McNamara was portrayed as out of touch. Id like you to be portrayed as the exact opposite. Really in touch.
