Steve Bannon

SB

Yes-- need to be the one that takes him down

06:46:54 pm

No shit sherlock

06:47:03 pm

Theres an argument to be made that it takes you out of the blast radius ,. I asked today , how many people around Donald can have a heart attack the same week and not look suspicious

06:51:21 pm

Maybe its like those cruise ship diseases. Or a new form of legionaire disease where the entire staff is incapacitated. Like on those cheap cruises

06:52:36 pm

Great idea to do Hannity every week. ! very clever. . FT article got wide attention. .

09:31:03 am

09:38:51 am

o

Steve Bannon

U think doing fox weekly smart???

09:47:15 am

SB

Yes but.. Europe needs to feel love . Not sure how you balance

10:01:37 am

Also with so much shit about to come out , your credibility must be paramount

10:25:25 am

o

Steve Bannon

I balance by getting there on the ground

10:30:15 am

SB

Agreed, do you do some Hannity from Europe, or back and forth

10:33:41 am

o

Steve Bannon

I can do Hannity from Europe

11:05:32 am

SB

Its not what I understand. I might wonder if it is possible to do two ground games simultaneously . Telling some to ring doorbells and get out the vote while you are in Europe should be carefully considered.

12:11:15 pm

Note, I spoke with the president of Ethiopia and Eritrea , they have agreed not to do any more work with the Chinese. ! as they now understand the trick. In fact there is a possibilty of the two countries becoming one.

12:57:50 pm

Even better than high tariffs

12:58:24 pm

Steve Bannon

Wow!!!

12:58:48 pm

SB

When the govt changed hands they found all these Chinese " loans. " etc. designed to create ownership through the side door

01:00:18 pm

Steve Bannon

East India Company strategy

01:01:23 pm

SB

Yup.

01:01:35 pm

old strategy however once again. Doesn't work with internet and instant sharing of info

01:02:33 pm

Steve Bannon

Agree

01:02:51 pm

SB

Whether it be Donald , Cohen pecker they play by the rules of the 80s. As you said the land that time forgot. - don jr was advised to take five in front of the senate , daddy said no.

01:04:56 pm

Im happy to have you meet them and piggy back on the new china strategy

01:06:02 pm
