Btw , tom and Henry believe that china wants to weaponize and control their consumer base.

09:37:43 pm

Steve Bannon

Incredible

09:37:46 pm

Weaponize as in stop buying western goods

09:38:14 pm

SB

All consumers digitized . Evaluated , they get points for certain behaviors . This is the next ten year plan. They say if you want our 500 million people buying X. We want Y .. and if xi says no Microsoft products. Its not like Donald asking people not to buy Toyotas. In china. The next day , no Microsoft products sell. . genius

09:40:22 pm

Steve Bannon

Total control

09:40:59 pm

SB

xi has moved the party ABOVE govt. . lots of tentacles. . they used to be side by side.

09:41:24 pm

Steve Bannon

Total control-- it's what we have going for us

09:41:54 pm

60 million in charge of 1.5 billion

09:42:14 pm

SB

Tom was the the top of the news in china. Xi , believes he has a better way to govern that he will be able to convince the world that the democratic US. Model. DOES NOT WORK. So he will offer an alternative system. Putting the belt road , made in china 2025 . And not allowing different views from that of the party . All purchases can be directed monitored and like a video game , the individual gets social reward points. Very clever

09:46:55 pm

Steve Bannon

Xi said he had a better way to govern ???

09:48:25 pm

SB

Yes a new form of govt for the future

09:48:48 pm
