What was your takeaway , inaddtion to getting air con that works?
12:13:06 pm

Steve Bannon

I was under orders to dial it down for this audience -- between Errol Morris film; NY Mag and this hour and half making huge inroads but can't be the constant aggressor

12:25:06 pm

Dialed it way back

12:25:14 pm

SB

Mike tyson waltzing 😊

12:27:06 pm

Steve Bannon

Agree but different audience with a different tonality --first of many I'm doing to these guys

12:29:02 pm

SB

Actually the first of Very many to come. Thats why -what tweaks will make it better for you? Your eye is the best , so important for you to watch the play reel. Over the shoulder for him , 3/4 for you. ?? lighting. . hot for you . /. chairs . ? too restrictive for you. ? Loved pulling out the FT. .!

12:40:37 pm

Steve Bannon

Yes

12:43:21 pm

SB

Im back wed . (Thiel coming). We can discuss response to tax cut criticism. The 83 percent to rich is misleading by miles . Cash back. Pension funds up.

12:43:36 pm

Corporations are not people. Giving corp breaks , is perceived as giving it to someone else. wage inflation cant be the first focus, the additional money in the system. First goes to hiring new people, only afterwards can wages rise. etc. will you be in ny end of week.?

12:48:01 pm

Steve Bannon

I'm all day by day now-- heading to see Kudlow then Texas -- u know Kyle Bass?

01:03:40 pm

Can you have one of your boys send Trump@war. , if easy

01:04:59 pm

I suggest kudlow point to strength of dollar . Market up. . in the face of the the worry on tariffs.

01:06:37 pm

In the uncertain future people want a stable economy , and there is no completion to that on the world stage
