Ny state - as advertised
10:55:34 am

Steve Bannon

Did ny state do anything other than threaten??
11:53:34 am

yes. opened cohen . and reviewing corp. but only a matter of time. cohen . fed deal does not include state. state has no double imdemnity for tax . and all its bookkeeping issues. . I refer to this as a very slow guilty plea. and the ny attny general woman is super smart
11:58:43 am

so subpoenas galore
