Spoke to my china guys , they said china stronger , plays weakened. Strife art of war etc. Said all the players are xi loyalists. Main complaint is there is no counterparty in us , either no one home or new to the game.

02:14:34 am

They said china stronger today than when we started?

02:25:09 am

Need to define "started." . North Korea? Stronger ties. . Africa , stronger. , buying strategic minerals. One belt one road. Ports logistics. Eventually turning them military . . tariffs a non event
