Obama made his money on the backs of his people. . they won't like that

10:11:00 am

If you are right re November and I think you are , knowing the end is near and being in lame duck will be wild.

Steve Bannon

Dangerous -- that's why they won't let it go on long -- pre negotiation

10:12:10 am

What do u mean about obama ???

10:12:22 am

He is now rich and water skiing with the white guys. I would be showing that image over and over , The blacks feel betrayed. Trump made his money in biz . Obama as a result of representing them, the poor blacks. They hate that. As soon as he leaves office Obama is hanging with he rich.
